### Time

The clinics will start each day at 9:00am and will be finished by 6:00pm.

### Program Manager Module

The role of the Program Manager encompasses new challenges that are drastically different from those that coaches may have previously experienced. Hiring staff, motivating sailors and coaches, maximizing boat time for all participants, managing on-site safety, and dealing with parents are some of the topics presented in the module. The Program Manager Module will help you be pre-

pared to develop a consistently high standard of training for your sailors. For this course are no pre-requisites required.

### White Sail Coach Level

Upon successful completion of this course, the candidate will be a trained Canadian Yachting Association White Sail Instructor qualified to teach up to the White Sail 3 level. Trained status expires one year after the clinic and if you would like to become certified, you will need to successfully complete an evaluation of your White Sail coaching skills with a certified CYA Evaluator within a year. This will be accommodated through the MSA office.

### Pre-requisites:

- Minimum of 1 years of age
- Emergency First Aid - Must be Current
- Bronze Medallion - Must be Current
- Pleasure Craft Operator's Card
- Bronze 4 Sailing Certificate
- Respect in Sport Completion

### Bronze Sail Coach Level

Upon successful completion of this course, the candidate will be a trained Canadian Yachting Association Bronze Sail Instructor qualified to teach up to the Bronze Sail 5 level. Trained status expires one year after the clinic and if you would like to become certified, you will need to successfully complete an evaluation of your Bronze Sail coaching skills with a certified CYA Evaluator. This will be accommodated through the MSA office.

### Pre-requisites

- Minimum of 16 years of age
- Emergency First Aid - Must be Current
- Bronze Medallion - Must be Current
- Pleasure Craft Operator's Card
- Bronze 5 Sailing Certificate
- Respect in Sport
